To include someone's name and illness or prayer concern on the prayer list, *that person's authorization* is required. Authorization forms are available in the church office and on the "Forms" page of the church website. Web forms may be completed and submitted to the church office. The person will be taken off of the prayer list after one month unless a new request is submitted. You can also take a name off of the prayer list by letting someone in the church offices know.
